

Welcome to the Rovers Lottery.

This year we are giving away even more cash prizes, meal vouchers and family activity vouchers every single week. There's the chance to win £150 every weekday, £1,000 a month, plus an annual draw for a massive £10,000 jackpot!

Being in with a chance of winning any of these fantastic prizes comes at the cost of just £2 per week.

Being part of the Rovers Lottery not only gives you the opportunity to win fantastic prizes, but you will also be contributing to the future generations of your Club.

The Rovers Lottery is a major source of funding for our Youth and Sports Development and anyone who is a member of the Rovers Lottery is making a major contribution to the ongoing success of the Club.

Members can choose to pay on a monthly, quarterly or annual basis. Alternatively, we are able to send a door-to-door collector to regularly collect your subscriptions.

All those wishing to pay on an annual basis will receive a £20 gift voucher for the Official Hull KR Retail Store and a 2010 signed team photograph.
